

ILLEGAL WATER CONNECTION IS A CRIME!!!!

- The water meter is not a disconnection tool, but a tool to measure your water. Report your meter if it is not working.

- Sharing is caring, avoid illegal connections to ensure fair water supply and reduction of water shortages.

- Water down the street is water down the drain, report water leaks and burst pipes to avoid water wastage.

- Report if you know or suspect anyone with an illegal connection to Silulumanzi (0861 74 5858) or 013 7526839.

- Fix water leaks within your yard, to avoid high bills and unnecessary water wastage.
- Always remember that tampering with water supply is a criminal offense liable to prosecution and payments of fines. **SAVE WATER! WATER IS LIFE....!**
