

1x FITTER

Silulumanzi is a private-sector Water & Sewer Service Provider within the City of Mbombela. The company has a vacant position for a suitably skilled and experienced Fitter.

Reporting to: Maintenance Supervisor.

Location: Mbombela City (Nelspruit) Kanaal Street Depot.

Job Requirements and Qualifications:

- Code EB Driver's license.
- N3 Fitter and Turner (Red Seal) or equivalent qualification required.
- Minimum 3 years experience in fitting and turning.
- Experience in Water and Wastewater Treatment Plants and Pump stations will be an added advantage.
- Read and interpret fitting and turning diagrams and specifications.
- Make estimates of labour and material.
- Keep records and compile reports.
- Basic computer skills.
- Knowledge of national codes, standard terms, practices, and modern methods common to the fitting trade.
- The use and operation of measuring and testing devices.
- Proper use of hand tools and equipment of the trade.
- Sound knowledge and understanding of fault finding, dismantling, maintenance, assembling, and installation of mechanical assemblies, making close tolerance adjustments to equipment and meeting output requirements.
- Knowledge, understanding and maintenance of fluid power/pneumatic systems.
- Principles of safety, installation, maintenance, operation, and testing.
- General welding and manufacturing skills.
- Proficient in milling and turning operations.

Key Responsibilities:

The main tasks and responsibilities associated with the position are listed below. This is not an exhaustive list of tasks and responsibilities and any other tasks and/or responsibilities that could be reasonably expected for the position may be required.

- Responsible for Machine maintenance
- Carry out Mechanical maintenance work on all mechanical equipment.
- Repair, testing and maintenance of mechanical equipment, machinery, and installations.
- Carry out scheduled maintenance of water and sewer stations.
- Manufacturing of pipework and installations.
- Refurbishment of water and sewer pump stations.
- Setting and maintenance of control valves in network and pump stations.
- Record and report on daily duties, work carried out and working progress.

Applicants that meet the above requirements can submit their CVs to the HR Department at 18 Nel Street, Mbombela City 1200 or email xolani.voma@silulumanzi.com. Closing date: 15 February 2023. If you have not been contacted within 21 days of the closing date of this advertisement, please accept that your application was unsuccessful.
